MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

AUGUST 16, 2005

KING DREW REPORT

Last week the Board of Supervisors supported a dual track contingency plan to reform and restructure King Drew Medical Center, in the event Drew University Medical School's accreditations are terminated. A similar dual track contingency plan is needed in the event King Drew Medical Center loses additional accreditations.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Health Services to prepare a dual track contingency plan with firm timelines to enact reforms and restructure King Drew Medical Center, in the event additional accreditations are terminated by the Center for Medicare and Medicaid Services, State Licensing, and in the event the Joint Commission Healthcare Organizations does not reinstate King Drew's accreditation. A report back by the Department of Health Services to the Board is due September 27, 2005.
